

NASTE Season 2013 – Race #1

September 29, 2012

Bryan's Track, Portland, Oregon

On Saturday September 29, 2012 the green flag dropped to signal the start of NASTE's 17th consecutive racing season. The opening race for the 2013 NASTE Point Series was held at Bryan Trachsel's WFO HO track in southeast Portland. Pizza and snacks were on hand to start the evening.

The race consisted of two rounds of three minute heats, driving Aurora Thunderjets with Dash GTO bodies.

The racing was fast, frantic, and hectic.

Breaking out to a first set lead was Flyin' Bryn with more than a lap on Monte in second and Terry in third.

The only relief from the on-track chaos was from the rum balls supplied by our beloved Hammer, Dorothy Abbott.

Other highlights of the evening included some very interesting snack creation that took place involving crackers, cream cheese and mustard (probably as a direct result of rum ball ingestion).

In addition an award was presentation to Terry Abbott recognizing his major win at Rapid Raceway during the 2012 series, to Victoria Saager as the NASTE 2012 Scrabble Champion, and to Dorothy Abbott in recognition of her contributions to NASTE as our official photographer.

At the end of the evening it was Bryan Trachsel at the top of the podium with the win followed by Dave Smith in second and Monte Saager the surprise third place finisher. All in all it was another fantastic NASTE event! We are off to a great start for 2013!
