

NASTE Season 2012 – Race #2

October 8, 2011

Penguin Point, Hillsboro, Oregon

The second NASTE race of the 2012 season was held Saturday at Monte and Victoria's 1:32 scale track in Hillsboro. The Penguin Point track is a 55-foot, 3-lane, wood-routed track with full detailing. The surface grip is outstanding and beginners get the hang of it pretty quickly.

On this night twenty racers came to do battle. Monte had set up three of his Ninco McLarens complete with Slot.It running gear so there was none of that Ninco wheel tossing or as much tire hop. Instead what we got was fast and close competition as racers flung those little cars around the track with reckless abandon.

After the first set of heats "Flying" Bryan held a one-tenth lap lead over host Monte with Bill just a lap back and Rico close behind him. Would the home court advantage finally be overturned or could the Big Smooth come back and grab the win?

Not to be outdone, the ladies were also battling hard as Victoria held a slim advantage over both Dorothy "the Hammer" and Diane.

And don't forget the kids. They were having their own contests as Russell and Todd were joined by Cailin in her first race!

The second round was set for an action-packed finale.

In the second heat the drivers were letting it all hang out with most putting down better numbers than in the first set. For starters, Rico laid down 47.7 laps. “Battling” Bill Bostic followed soon after with a 48.2. Then in the shocker of the evening Bryan fell to 46.9 – nearly a lap less than his first set. And finally it was the Big Smooth throwing down a 48.7 like he owned the track and once again the curse of the host was complete.

As for the hostess, Victoria squeaked past the rest of the ladies and earned a 9th place overall finish. Congratulations Victoria, practice really does help!

In the junior class the Flood brothers battled it out with Russell in first and Todd second, while Cailin finished third in her slot racing debut! Congratulations to them all.

Among the racing action, Victoria organized the Scrabble table, young and old kids played Wii Sports, there was an outstanding selection of food including Dorothy’s famous deserts and a special treat – Jill brought a birthday cake for Dave. After the results were announced we all celebrated with cake and a little singing. It was a pleasant end to a great evening.
