

NASTE Season 2013 – Race #2  
October 13, 2012  
Autumn Hills Raceway, Milwaukie, Oregon

On Saturday October 13, the second race of the 2013 NASTE Point Series was held at Rico Locati's picturesque Autumn Hills Raceway in Milwaukie.

The race consisted of two rounds of three minute heats, driving brand-new Slot.it Ford GT's and those Fickle FIAT's of Fate.

The racing was close and hysterical. The Slot.it Ford GT's were rapid and solid while the FIAT's were not. Once you get a FIAT hopping, it's hard to get it to stop. In fact it's a little like riding a bucking bronco bareback. Ye-haa!

Once the flag dropped on the first set it was Monte with the early lead. As the evening wore on Bill passed Monte only to be later passed by a sizzling performance from Rico. He may have run this track before...

The podium was Rico, Bill and Monte in that order.

It was about this time a few of the racers decided to invest in Rum Balls – thank you Hammer – AKA Dorothy Abbott.

Sometime later Rico brought out the Fickle FIAT's of Fate for round two. Bounce, bounce, bounce and around the track they went.

And once again it was Monte the FIAT master coming out on top. I think he may have won every round with the FIAT's so far. Coming in second was Terry with Rico in third.

We'd like to thank Kelly for the typically great spread and Dorothy for our favorite chocolate desserts. Racers were exceptionally well fed and somewhat sedated. It was a great time.

Thank you Rico and Kelly!
