

NASTE Season 2013 – Race #6

December 12, 2012

TooBad Motorplex, Fairview, Oregon

On Saturday December 8, an outstanding field of twenty-three racers came to Bill's TooBad Motorplex in Fairview to contest the sixth race of the 2013 NASTE season.

With so many racers we shortened the evening to be a single set of heats featuring the same Fly LMP cars that we had raced previously though Bill did say some weight had been added. The cars were once again solid. And once again tight racing was the order of the night.

Taking top honors for the evening were Bryan Trachsel, Bill Bostic and Dave Smith all with 48 laps, a matter of feet being the difference.

We'd like to thank Bill and Diane for the great pizza and treats, Dorothy for our favorite chocolate desserts and all the other contributors. It was another fantastic night of food, fun and good friends.

We'll see you at the next NASTE race on January 5th at Bryan Trachsel's HO track.
