

NASTE Season 2019 – Race 7

June 15, 2019

The Gorge Raceway, Troutdale, Oregon

June bring our seasonal trip to Troutdale and Bob Nakamura's large Scalextric Sport layout. Featuring 4 lanes and enough length to stretch those leg, it's always a good time at Bob's.

Featuring two different sets of cars, drivers worked their best to get good times and, most importantly, stay on the track! In the first set Bill Bostic led the way with a great run followed closely by Bob Nakamura with Zack Morgan in third.

In the second set drivers really had to work to get the best result as the cars were a little slower and more treacherous. Pushing hard for the second set lead was Zack Morgan followed by Monte Saager in second about half a lap back and Bob Nakamura taking third just beating out Bill and Terry Abbott by mere tenths.

When the dust had cleared Zack Morgan claimed his first NASTE IROC win with more than half a lap in total over Bill Bostic in second with a third place tie between Bob Nakamura and Monte Saager. How close was it? The top 4 were all on the same lap.

Once again it was a great night of racing in Troutdale. A sincere thanks to Bob for hosting. Next up, a trip to Mitch's new track in Tigard Allenbrook Speedway. It's sure to be an entertaining evening, we'll hope to see you there.
