

## NASTE Season 2010 – Race #5

April 17, 2010

Jacquelin Park Speedway, Hillsboro, OR

The fifth NASTE race of the 2010 season was held Saturday, April 17 on the Jacquelin Park Speedway at Monte and Victoria Saager's Li'l Slot Car Heaven in Hillsboro. The Jacque is an SCX Digital track with multiple cars on the same lane and fuel management. Actually management is the key word here, as in managing the insanity! With 6 cars zipping around a two and sometimes three-lane track it can get pretty wild. It's the NASTE way.

A field of ten brothers and sisters of the slot came together to have at it with a mix of digital Ferrari's, a Corvette, an Aston Martin and even a pesky Seat Cupra. And have at it they did. At times the track looked more like a destruction derby than a race. Cars flew, guides popped loose, it was out of control. The best you could hope to do was manage well amid the mayhem. Frankly, it was a ton of fun.

And for one night the postman truly delivered. Turning in the top performance on the track as well as managing amid sheer chaos was our favorite mailman - Terry Abbott. His point total of 29 just edged out AJ Locati and host Monte both tied at 28.

For the second set of the night the racing action shifted over to the Penguin Point analog track featuring a pair of NSR Mosler's and an NSR 917. These cars are quite popular in the European racing circles and it was great fun to get them out on the track for a run. Turning in the top points totals for the second set was Randy Stumman and with host Monte tied with 13 points while Bryan Trachsel zipped to a third place finish with a score of 11. Amazingly enough, all the other racers were tied with 7 points. And that proved to be a huge benefit to them all as our full-Monte scoring system awards points based on your best finish. It's a nice opportunity to overcome the madness of the Digital track.

We'd like to extend a huge thanks to Monte and Victoria Saager for providing another great night of racing and fine food. And there were great chocolates from the Hammer, and cookies... Yum!
