

## NASTE Season 2010 – Race #6

March 19, 2011

Jacquelin Park Speedway, Hillsboro, Oregon

On Saturday, March 19th the third digital event in NASTE history was held at Monte and Victoria's Jacquelin Park Speedway. Seventeen racers came out to put the cars and track to the test.

After an hour or so of getting used to the track, teams were arranged as fairly as possible.

<b>Handi-Cats</b>	<b>Half-Gassed</b>	<b>Handy Men</b>	<b>Victoria's Secret</b>
Monte	Terry	Rico	Victoria
Bill	Jake	Jeff	AJ
Dorothy "the Hammer"	Allen	Catrinus	Robert
Isaac*	Terry*	Aden*	Jimmy*
Scott*			

\* Rookies

For the race a set of 4 SCX Digital cars had been specially prepared by Monte. They were a pair of 550 Ferrari's, a 360 Ferrari and a Seat Cupra. In preparation, all had been upgraded with Slot.It aluminum rear wheels and SCX Pro gears. Each team was also provided a stock backup car just in case their main car became disabled. (As fortune would have it none did, though Rico did manage to toss a front wheel. "Leave it alone, it's running better now than it was!")

After a few minutes to come up with some clever team names, driver order was established, teams took to the track, the cars were placed on the starting grid and the flag was dropped.

For the next 3 hours, mayhem would reign supreme.

And teams learned important lessons like "kinking" a car too fast into a corner would pull the guide blade out and how to properly re-fuel in the heat of the moment. Soon, drivers were getting the idea.

And in typically NASTE spirit when there was an issue the response from the other teams would be something like: "We ran it that way so we're not fixing it now!"

Since the cars need to "re-fuel" about every 40 laps, we used that for driver swaps and it led to a veritable flurry of activity around the table. Drivers swapped positions, teams shouted out strategy instructions and it turned into a wild and crazy time.

On the track, the lead seemed to change hands after each section. In the end, it was the Victoria's Secret team leading the way but it was a close race all the way to the finish.

After three hours of intense racing action a mere 20 laps separated the field. As it turned out, every lap would count. And once again it was a victory for the track owner. Well, one of them...

The final results:

1st Place	2nd Place	3rd Place	4th Place
Victoria's Secret	Handi-Cats	Half-Gassed	Handy Men
1038 laps	1026 laps	1025 laps	1018 laps

A giant thanks from Monte and Victoria to all the racers that came out to join us in the fun. And we'd also like to thank all those that contributed to the success of the evening by bringing tasty treats and for taking the time to fix our sliding glass door. You know who you are and so do we!

The next NASTE race is scheduled for Larry's Boss Slot Raceway on April 16<sup>th</sup>. We'll see you there.
