

WANTED

Three race teams consisting of three or more members to challenge these old guys in the first annual

WILSONVILLE 2500

They are putting their 70 years of slot car racing experience on the line! Just because they have lost their hair (or losing it Gearloose) doesn't mean they intend to lose this race.

They say they will take on anyone! Pick your team from some of the world's best racers: Patric Tambay, Bill Elliot, Alan Prost, Dave Smith, Kyle Petty, Al Unser or even Goose Gossett.

FACTS: The length of the race will be 2,500 laps on Lee's 4 lane track. Lane changes will be every 29 minutes with one minute between. Lane assignment at the start of the race will be determined by draw. Cars will be P.A.S.E.R. rules stock 1/32nd scale RTR with 3 numbers on the body. Any damaged parts can be replaced during the race except the chassis. Fee per team is \$8. Race date is September 20 with the race starting at 12:00.

Soooo.....who is up to this challenge? Get your team together and your car ready. Stop these old guys from taking home the winning brass plaques.
